APPLICATION FOR CATTERY PREFIX

Rule 9(i) of the Cat Owners Association of Western Australia Rules for Breeding and Registering Pedigree Cats states as follows:

The Prefix must consist of no more than one word. * Applicants should keep in mind that a cat's full name (including the Prefix) may not exceed 25 letters and that each space between the words counts as a letter.

See Rules for Breeding and Registering Pedigree Cats for further information.

Submit three (3) names in order of preference in case first preferences are unavailable after COAWA checks with other registering bodies.

Preferred Cattery Prefix (of not more than 12 letters):

- 1.....
- 2.....
- 3.....
